DITSS, IUST inaugurates Two Software Applications

Awantipora April 17: Directorate of Information Technology and Support Services (DITSS), Islamic University of Science & Technology organized a program on 17th April 2019 in the auditorium of Academic Block-III to inaugurate two software applications viz Student Grievances Redressal & File Tracking System developed in house by DITSS, IUST.

The function was presided over by Hon'ble Vice Chancellor, IUST Mushtaq A. Siddiqi. The introductory remarks were presented by Professor A.H. Moon, Directorate of ITSS. A detailed demonstration of said applications was given by the concerned developers. While appreciating the efforts of development team the Hon'ble Vice Chancellor complimented & congratulated the DITSS in this endeavor. Among the other dignitaries, Registrar IUST, All Deans, Finance Officer and HOD's of various departments were also present.

The function concluded by vote of thanks by Dr. Kaiser J. Giri, Coordinator-Software Support Services, DITSS
