### **Expression of Interest for submitting of proposals regarding heating solutions**

For and on behalf of Vice Chancellor Islamic University of Science and Technology, Awantipora, Expression of Interest (EOI) is invited from the registered and reputed dealers/suppliers/service providers for submitting of proposals in order to provide heating solutions in the classrooms, labs and offices of University and allied colleges during winter season (November-March). The University has currently functioning in thirteen blocks (administrative/academic/colleges/hostels) and has strength of almost 4000 students and 1000 staff members. Interested Bidders are advised to visit the University to familiarize themselves with the infrastructure conditions. The bidders have to submit the EOI along with product catalogue, features of the products and other details by or before 21-08-2017 (2.00pm).
