

ANNEXURE- I

Parameters adopted for screening of applications for the post of Assistant Professor in Different departments under School of Technology and School of Sciences

1. While awarding additional points for indexed journals or journals with 'impact factor' as notified by the University vide no. IUST/Reg/Adm/17/2029-56 dated 06.03.2017, the impact factor has been interpreted to mean Journal impact factor as per Clarivate Analytics- Thomson-Reuters or SJR (Scimago Journal rank indicator).
2. Publications listed in credible sources like Thomson-Reuters/Clarivate Analytics, Scimago have also been considered I addition to the publications listed on the UGC website.
3. Relevant branches of engineering as determined by the AICTE notification issued on 28.04.2017 along with the branches as were found relevant by the University expert committee have been considered.
4. Candidates who have some deficiency, as reflected in the remarks column of the screening report, have not been allotted any marks in the respective field. Such candidates are advised to provide copy of the relevant certificate so that the marks pertaining to the same can be calculated accordingly.
5. In case of candidates who have not provided copy of the publications but have mentioned the details in the application forms their publications were considered as per the details on the internet. Such candidates are advised to submit manuscripts of their publications in their own interests.
6. In case of candidates having done their B.Tech through Lateral entry scheme their marks in the Polytechnic Diploma has been considered against the 10+2 marks.
7. Experience that involves teaching at UG/PG level in a recognised institution has been considered.
8. Conference proceedings published under ISSN or ISBN number have been considered as publication or book chapter respectively and the points awarded accordingly.
9. Books having ISBN no. and published by International/National Publishers exceeding the cap has been considered under National/Local publishers and points awarded accordingly.

NOTE: All P.hD Degree holders are advised to produce MSP certificate from their respective institutions failing which points for PhD degree may not be considered.
